

ECOMYSTERY

Interactive Escape Rooms for Climate Crisis Awareness and Civic Engagement in School Education

What are the goals of the EcoMystery?

Raise awareness that important topics related to the various impacts of the climate crisis are missing in education

Help teachers conduct lessons on the climate crisis using innovative escape-room-based pedagogy

Motivate students to design and implement effective solutions aimed at mitigating the consequences of the climate crisis

To broaden the impact of education by using technologies and enhancing digital skills, so that the outcomes have a long-term effect
